IMPACT AWARD – Nomination Form

The Iowa State University Alumni Association Board of Directors established this award in 2000 to recognize individuals, businesses, organizations, or units whose programs or accomplishments brought broad recognition to the university and increased the involvement of ISU constituents in the life of the university during the year prior to being nominated. Up to three awards may be granted annually. (Current members of the ISU Alumni Association staff, board of directors, and awards committee are ineligible to receive this award.)

Guidelines for submitting a successful-award nomination:

- *Be sure to read the award descriptions carefully to ensure you are nominating the person/organization for the award that fits the nominee most appropriately.*
- *The information submitted by the nominator is what will be used to determine the strength of the award nomination. Be thorough with the submitted information.*
- *When nominating a "couple" for the award, be sure both individuals meet the selection criteria. Each person will be judged as if they are being independently nominated.*
- *Only three recommendation letters will be accepted. Additional attachments or information and recommendation letters will not be considered so that each nominee is judged equally in the selection process.*
