

FINANCIAL INFORMATION

The Iowa State University Alumni Association welcomes your interest in our financial operations. We take great pride in serving alumni, students, and friends of Iowa State University.

The financial operations of the ISU Alumni Association are under the direct oversight of the Alumni Association Board of Directors, which has delegated specific responsibilities to separate committees: finance (financial operations and policies & practices) and audit (independent audit). Each committee is made up of volunteer ISU benefactors with expertise in financial management.

The ISU Alumni Association's financial statements are audited annually by the independent firm of RSM (McGladrey) in accordance with auditing standards generally accepted in the United States. The independent auditors report directly to the audit committee of the ISU Alumni Association.
